JOINT RESOLUTION

NUMBER JR-2000S-1327

Briefly extending candidate application deadline for spring 2000 election

- Whereas: The Student Government Association of the University of North Florida was established to represent student concerns in all University wide matters, and;
- Whereas: Student Government Elections are offered to the UNF student body so that they may choose the best candidates whom they wish to hold each position, and;
- Whereas: The Elections Supervisor is responsible for all policy and procedures surrounding SGA elections and is, furthermore, responsible for making each election fair for all students;
- Therefore: Let it be enacted that the deadline for candidate application packets for all candidates wishing to appear on the ballot for the SGA Spring election be extended to Monday, March 20, 2000 at 1:30 p.m. The sample ballot will then be available beginning that afternoon and until 5:00 p.m. the next afternoon. This does not effect any other deadlines or procedures regarding the election.

Tabled unanimously.....ESAC Chair never passed legislation stating when packets were due, thereby, she possesses autonomy to change deadline to comply with Title VI.

Respectfully submitted: Sen. Blazek
